

Chosen People Ministries SUMMER MINISTRY PRAYER CALENDAR

Chosen People Ministries has a number of summer outreach and evangelism ministries, and we value your prayers as we share the Gospel and serve the Jewish communities in the United States and elsewhere! Here is a prayer calendar to help you in your prayer times and Bible study groups. We cherish your prayers as you lift up these focused times of outreach to the Lord!

OUTREACH ISRAEL

Our team of twelve young adults will spend three weeks in Israel, based out of our Jerusalem Messianic Center. The team will assist our long-term workers in everyday ministry such as humanitarian aid, home visits and outreach. Here are some specific days to remember in prayer:

June 1 – Fly to Israel

June 3 – Prayer walk through Jerusalem's Orthodox Jewish neighborhoods

Prayer can do wonders! Although active ministry does not take place among the very Orthodox at the moment, showering the community in prayer is very important!

Please pray for a fruitful and focused prayer time.

June 6 – Home visits to single mothers, lending a hand around their houses

June 9 – Serve at the café outreach in Tel Aviv

June 13 – Serve at the Netanya soup kitchen and distribution center

June 17 and 19 – Provide practical help in our new Sderot distribution center

These days might be the hardest for the team, as the city of Sderot has been besieged by missiles from Gaza for many years. The people who live here are poor and many are elderly Holocaust survivors. Our team will feel the urgency of ministry as they spend time with these dear people and assist in our new food and necessities distribution center.

June 21 – Serve at the Tel Aviv soup kitchen and distribution center

June 23 – Return to the United States

EXPERIENCE ISRAEL

A team of fifteen will take a journey of faith as they experience the Holy Land. eXperience Israel team members visit many biblical and modern sites, sharing testimonies and proclaiming Messiah along the way. Here are some ways you can pray for the team:

July 10 – Fly to Israel

July 12 – Serve at the Tel Aviv soup kitchen and distribution center

Please pray for the team as they serve the poor, elderly, and outcasts of Israel's society.

July 13 – Outreach on the beach

Please pray for many divine appointments as locals and tourists gather on the beach to soak up the sun. Pray for natural and fruitful conversations about the Lord and His Word, resulting in faith decisions and changed lives!

July 16 – Visit sites of Jesus' early ministry around the Sea of Galilee

July 21 – Arrive in Jerusalem—the pinnacle of the trip

July 24 – Return to the United States

SUMMER TRAINING AND EVANGELISM PROGRAM

In the New York City area, there are three million Jewish people who need to hear the Gospel, and the STEP team will share the Good News! They will do creative evangelism through drama and art, surveys and book tables, challenging passers-by to think about Messiah.

We are entering the second year of our Isaiah 53 evangelistic campaign, which aims to raise awareness about the prophecies describing Jesus in Isaiah chapter 53. Many Jewish people are not familiar with this passage or do not understand its meaning. The STEP team will use this wonderful chapter of the Hebrew Scriptures to present the message of Jesus in a Jewish way.

July 17 – STEP team arrives in New York City from all over the country

Please pray for orientation and team bonding as the team begins to serve the Lord together.

July 18 – Outreach at “Movie in the Park” event

Pray for this first outreach, that the team may have great conversations about Jesus with those they meet.

July 20 – Jewish Enrichment Day

Pray as the team experiences Jewish New York in order better to understand and witness to Jewish people.

July 21 – Brooklyn Day outreach

Pray for the team as they spend the day in ultra-Orthodox Brooklyn.

July 22 – Preparation for outreach concert to Russian speakers

Pray for creativity in planning this evangelistic event.

July 23 – Music outreach in Washington Square Park and New York University

Pray for stamina, and for the team to finish strong in their witness to the Jewish community.

SUMMER CAMP IN ISRAEL

During the summer, we hold three five-day children’s camps all over the country. What fun to camp out under the stars, go on hikes, and establish friendships for years to come! Please pray for these dear children, who will be the next generation of Messiah’s followers in Israel. During their time at camp, we see a marked difference in their lives as they study the Word, pray and ask hard life questions.

SUMMER CAMP IN LOS ANGELES

Chosen People Ministries runs a regional camp on the West Coast with participants from many local congregations, building unity in the area and reaching children for the Lord. Kids learn about Jesus through games, Bible lessons, memory verses and nightly campfires, and the stories they bring home are heartwarming. Our staff members and volunteers counsel and invest in the campers—and we can see the change in their lives as they attend the camp year after year!

ISRAELI OUTREACH IN LOS ANGELES

Israelis love to travel around the world, and many decide to settle in other countries and cities. In Los Angeles, which has a climate and culture similar to Israel, many feel right at home. This summer, we will have our first outreach specifically to the Israeli communities in Los Angeles, and we pray for much fruit! Our team will have great opportunities to connect with Israelis as we visit coffee houses and *falafel* stands, witness on the beach and hold special events in Hebrew. Please pray for guidance and divine encounters as the leaders seek direction for the team.

July 30 – We’ll have evangelistic book tables and creative outreaches at Venice Beach and in Santa Monica. During the evenings, the team will go to Israeli cafés to have conversations over coffee.

Pray for God to prepare the hearts of all those we’ll meet at beaches and in cafés. Pray also for team bonding and unity.

July 31 –

Pray for groups from local congregations, who will be joining the team today for a beach outreach.

August 1 –

Pray for book table conversations at college and university campuses in the area. Continue praying for beach outreach, which will go on every day of the trip.

August 2 –

Pray for those sharing Messiah over coffee at Israeli hangouts.

August 3 –

Pray for the youth groups partnering with us for the outreach. Pray for those who have heard about Messiah, that they think about the conversations they had with team members.

August 6 –

Pray for God’s anointing as we share on the beaches; pray for God to touch hearts, for people to hear His Word, and for some local relationships to start.

August 7 –

Pray for all the seeds that have been planted. Pray for the follow-up with those who gave us their contact information.

Praise God for all He will do this summer, and pray for safe travel home for all of our teams.
